

What is CDEEP

At CDEEP, we are expanding our reach so that engineering and science students in every part of India and the World can have access to IIT Bombay's courseware. CDEEP would like to share the expertise of IIT Bombay faculty with students and working professionals. The courses offered through distance education are same ones that are taken by students at IIT Bombay. To reach as many learners as possible, CDEEP is available online and can be accessed from anywhere.

www.cdeep.iitb.ac.in

How it Works

CDEEP records the lectures of IITB semester courses with Professor's consent.

The recorded lecture are uploaded along with notes and slides on CDEEP website and can be accessed from anywhere anytime.

Look for "Free Online Access" link in CDEEP Website, accessing lectures is free for all.

After successful completion of course you get an in depth understanding of the course that's a boost up to your academics.

Learn from anywhere

Learn anytime at your comfort

Do you know hundreds of students are getting benefitted from IITB distance courses
