

**Missed something in the class?  
Have a look at  
<http://www.cdeep.iitb.ac.in>**

- CDEEP records the lectures of IITB semester courses with Professor's permission.
- The recorded lecture video files are uploaded along with notes and slides on CDEEP webpage for students to view as and when required..
- It helps in revising the course lectures before exams.
- It's free for all. Use your LDAP credentials/ email ID to view it from inside as well as outside the campus.
- Archived recorded video courses are accessible from "Free Online Access" link.

**To access these courses, go to  
<http://www.cdeep.iitb.ac.in/vod/vodCloud/login.php>**

- ✔ Do not forget to give your valuable feedback online.
- ✔ Suggest courses, which you want to get recorded.
